

Peterborough Play Partnership

Terms of Reference

- 1. Mission

The health and well being of Peterborough's children and young people will be improved by imaginative and dynamic provision and management of spaces and opportunities for play.

- 2. Purpose

To Implement and monitor Peterborough's Play Strategy 2007-2012, improving the provision, increasing accessibility and promoting the benefits of play to residents and visitors to Peterborough

Terms of Reference

- 3. Aims
 - To act as the entity that implements, monitors, reviews and evaluates the **Peterborough Play Strategy and Action Plan 2007-2012**.
 - To **report on the progress** of the Play Action Plan to the Enjoy and Achieve Partnership – which forms part of the Children Trust board.
 - To support and guide the successful implementation and delivery of the **Playbuilders programme 2008 – 2011**, including advising on suitability of sites, appropriateness of design and ensuring the effective communication of these sites.

Terms of Reference

- To ensure that children and young people are **consulted and engaged** in the ongoing implementation and monitoring of the Play Strategy and Play Action Plan.
- To ensure that the strategy implementation is **inclusive** of all children, whatever their particular needs or backgrounds.
- To assist and advise on any play-related projects looking for **city-wide support or funding**.
- To help **promote and publicise** the ongoing actions arising from the Play Strategy Action Plan.

Location and Design of play

- Three documents
 1. Quality Standards for outdoor play
 2. Location criteria
 3. Design guide

Delivery and Monitoring

- **Targets** would be set and agreed by the city partners and the Environment Capital Partnership
- **Activities** would be identified and delivered by city partners and Environment Capital Partnership
- **Progress and delivery monitoring** through indicators and metrics, reported on the website and made publicly available.
